**OWNER'S NOTICE NO. 1
FOR AN APPLICANT FAMILY**

Dear Applicant:

Section 214 of the Housing and Community Development Act of 1980, as amended, prohibits the Secretary of HUD from making financial assistance available to persons other than United States citizens, nationals, or certain categories of eligible noncitizens in the following HUD programs:

- a. Section 8 Housing Assistance Payments Programs
- b. Section 236 of the National Housing Act including Rental Assistance Payment (RAP); and
- c. Section 101/Rent Supplement Program

You have applied, or are applying for assistance under one of these programs; therefore, you **are required** to provide documentation and declare U.S. Citizenship or submit evidence of eligible immigration status for each of your family members for whom you are seeking housing assistance. To do this you should:

1. Complete a Family Summary Sheet, using the attached blank to list all family members who will reside in the assisted unit.
2. Have a Declaration Format completed by each family member (including yourself) who is listed on the Family Summary Sheet. The Declaration Format has easy-to-follow instructions and explains what, if any other forms and/or evidence must be submitted with each Declaration Format.
3. Submit the Family Summary Sheet, the Declaration Formats and any other forms and/or evidence with your Application for Residency.

This Section 214 review will be completed in conjunction with the verification of other aspects of eligibility for assistance. If you have any questions or difficulty in completing the attached formats or determining the type of documentation required, please contact Cara Pelzer (360) 695-3474. She will be happy to assist you.

Also, if you are unable to provide the required documentation, you should immediately contact this office and request an extension, using the block provided on the Declaration Format. **Failure to provide this information or establish eligible status may result in your not being considered for housing assistance.**

If this Section 214 review results in a determination of ineligibility, you will have an opportunity to appeal the decision. Also, if the final determination concludes that only certain members of your family are eligible for assistance, your family may be eligible for proration of assistance. That means that when assistance is available, a reduced amount may be provided for your family, based on the number of members who are eligible.

If assistance becomes available and the other aspects of your eligibility review show that you are eligible for housing assistance, that assistance may be provided to you if at least one member of your household has submitted the required documentation. Following verification of the documentation submitted by all family members, assistance may be adjusted depending on the immigration status verified. You will be contacted as soon as we have further information regarding your eligibility for assistance.

Public reporting burden for this collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This information is required to obtain benefits and voluntary. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information is authorized by the U.S. Housing Act of 1937 as amended, the Housing and Urban Rural Recovery Act of 1983 and Housing and Community Development Technical Amendments of 1984. This information is needed to be in compliance with OMB-mandated changes to Ethnicity and Race categories for recording the 50059 Data Requirements to HUD. Owners/agents must offer the opportunity to the head and co-head of each household to "self certify" during the application interview or lease signing. In-place tenants must complete the format as part of their next interim or annual re-certification. This process will allow the owner/agent to collect the needed information on all members of the household. Completed documents should be stapled together for each household and placed in the household's file. Parents or guardians are to complete the self-certification for children under the age of 18. Once system development funds are provided and the appropriate system upgrades have been implemented, owners/agents will be required to report the race and ethnicity data electronically to the TRACS (Tenant Rental Assistance Certification System). This information is considered non-sensitive and does not require any special protection.
